

T-RAP Update

Because of Thurston County's decision to suspend all Treasury Rental Assistance Program (TRAP) contracts with CAC, our staff are unable to provide services or offer communication to clients on behalf of this program. We are deeply saddened at the harm done to our community members by this decision, and we are working toward a time when we can assist clients again in the future with TRAP.

Please contact Elisa at Elisa.Sparkman@co.thurston.wa.us or (360) 490-7648 with questions or requests for rental assistance.
