What is FCS (Foundational Community Supports), and How to Get Started?

Supportive Housing services help individuals get and keep community housing.

Supported Employment services help individuals with barriers to employment get and keep a job.

FCS Participants must have Medicaid. Must also have **ONE** Health need such as:

- mental health
- substance use
- need assistance with daily activities
- has had multiple caregiver
- complex physical health need

Must also have **ONE** risk factor such as:

- Chronic homelessness
- Frequent contacts with jail, inpatient hospital, and/or correctional facility
- Residential care stays
- Inability to maintain employment

Please note that FCS Services **do not**

include, or guarantee, financial assistance.

However, case managers can assist with locating/ requesting financial assistance, and offer help with budgeting.

For further questions please contact

(360) 438-1100 Ext. 8

Energy Assistance

Energy Assistance: Assists Lewis, Mason and Thurston county residents.

- LIHEAP, a federally funded program, assists residents with their gas, electricity, oil, wood, and propane costs. As of the 2021-22 season, LIHEAP can now assist with water bills and air conditioning.

- Puget Sound Energy HELP provides assistance with the cost of natural gas and electricity consumption to qualified PSE customers with an account in their name or in the name of a member of the household.

For further questions please contact
